Currently living in Bangkok and available for face-to-face interviews and demo lessons.

Experienced English Teacher | TESOL Certified | Early Years & Primary

English teacher with 8+ years of experience in early years and primary education.

TESOL certified (150+ hours, Arizona State University) and currently working under the Turkish Ministry of National Education.

Head Teacher and Team Leader, mentoring and training English teachers in a Montessori-inspired workshop.

Experienced in multicultural classrooms and international teaching environments.

I have been working as an English teacher since 2016. My teaching journey began while I was still a university student, as I started teaching English as a volunteer at the Turkish Education Volunteers Foundation (TEGV). This early experience helped shape my strong connection with children and my passion for teaching.

My teaching style is student-centered and flexible. I plan my lessons according to my students' levels and goals, and I use games, movement, drama, and interactive activities to make learning meaningful and memorable. I also prepare personalized learning plans to support each student's progress.

I have a natural bond with children and truly enjoy working with them. I also have a strong admiration for Thailand and its culture. I am highly motivated and excited about the opportunity to teach in Thailand and to grow professionally in an international educational environment.

Hobbies

Gastronomy and Culinary Arts, reading, riding a bike, yoga, kids yoga, dance, art and crafts, music, AI tools and content creator.
